From: Dennis R. O’Brien – Principal

We hope and trust that your summer is going well and that you are all enjoying family time. Our purpose in communicating with you is to remind all parents and community members that our bell schedule for the 2017-18 SY will be somewhat changed from previous school years. The rationale behind the new bell schedule is to provide time for our teachers to gain knowledge from ongoing Professional Development and to articulate, Kindergarten through 6th grade as a faculty. These are important considerations as we strive to continue and even improve upon our students’ celebrated successes. A detailed 2017-18 Bell Schedule will also be posted with our class rosters, will be available upon request at our main office, and will be sent to each home with your student’s informational packet.

The following is an overview of the 2017-18 Bell Schedule:

- School will start each day of the week at 8:00 a.m.
- On M-T-Th-F school will end at 2:15 p.m. daily.
- On each Wednesday, school will end at 12:35 p.m.

The remainder of our daily schedule will remain unchanged. If you should have questions regarding our 2017-18 Bell Schedule as outlined above, you are invited to contact Principal O’Brien at 974-4855.
