

FALL 2016 SuperBee EdVenture After-School Enrichment Program

***Registration: Thursday, August 25, 2016
7:00– 8:00 a.m., at E. B. deSilva Library***

EdVenture Class dates: Tuesday, September 6, 2016 - through Monday, December 12, 2016

Please note: Pay close attention to start and end dates as these vary according to instructor availability, holidays, and parent teacher conference dates.

Thank you for your continued support of the SuperBee EdVenture After-School Enrichment Program. We are excited to start our semester sessions and are very grateful for the talented instructors who are taking the time from their busy schedules to offer classes to our students. The EdVenture Program will break according to regular school schedule and calendar. Please make a note of these holidays and dates.

Due to the limited number of spaces available per class, please be sure to register your child for the class(es) he/she is genuinely interested in. This helps the instructor and all participants maximize instruction time.

No EdVenture Classes on: (subject to change)

- **October 10 - 14: Fall Break**
- **October 31 - November 16: Parent/Teacher Conferences**
- **November 8: General Election**
- **November 11: Veterans Day**
- **November 24 - 25: Thanksgiving Weekend**
- **Instructor Absence or Travel:** some instructors may have pre-existing dates they will be unavailable. You will be notified on your class confirmation form of specific dates.

Classes held on Mon, Tues, Thurs and Fri will be from 2:30 – 3:30 pm, and *Wednesday classes will be from 1:30 - 2:30/3:00. (Please check your confirmation sheet for exact times)

Mahalo nui loa to the E.B deSilva PTA and the many parents, extended family and community members who support our fundraising efforts throughout the school year. It is because of your continued dedication that we are able to offer the EdVenture After School Enrichment Program to enrich and enhance the education of our students.

EdVenture Registration Instructions and Information

- **All registrations will be handled on a first-come-first-served basis.** At the time of registration, students will receive a confirmation slip for their registered class(es). **Please keep this confirmation slip for your records, as it will contain specific information on the class your child is registered, including dates, times, and location of class.**
- Either parent or student may register for classes. Parents also need to remember that supervision will not be provided during these times.
- Tuition for classes range from \$35.00 - \$45.00 depending on the cost of supplies which students get to consume, take home and/or keep.
- **Tuition payment is due at the time of registration.** If paying by check, please **make checks payable to E. B. deSilva PTA.** In the case of returned checks due to insufficient funds, you will be assessed a returned check fee minimum of \$25.00 up to the maximum amount allowable by law and in accordance with your banking institution.
- Class size will be limited to 10 students per class, with some exceptions, dependent on the instructor with approval from EdVenture staff. Parents are encouraged to sign up to be on the waiting lists for classes if their preferred classes are filled. We will make every effort to fill all available spaces.
- Classes will be limited to 2 per student to allow others to have the chance to register for classes. If there are any classes that have openings after the registration date, parents will be notified and will be allowed to enroll students in classes over the 2 per student limit.
- One (1) \$35 scholarship per student is available upon request to students who qualify for free or reduced lunch on a limited basis. If taking more than one class, the scholarship will be applied to the class of lesser value. The difference of the cost in choosing a class with a higher registration fee is the responsibility of the parent/guardian. Parent/guardian MUST submit a copy of the "Free and Reduced Lunch Approval Letter" to qualify when contacted by the PCNC immediately following registration.
- Please keep in mind that if a class (or classes) does not generate enough interest, that class (or classes) will be cancelled with notification to parents along with reimbursement. Parent will be informed of open seats in alternate classes that the parent and child might be interested.
- New Student Behavior Guidelines Form will be handed out at the time of registration. Please review, sign and return to Cecily Nago, PCNC on or before the first day of your child's EdVenture Class (classes).
- Students will be released after their class(es) to A+ if they are participants or to the front of the office at the end of each class session. In the event of a class cancellation, parents will be notified as soon as possible, as alternate transportation might need to be arranged for the student (s). A+ students will be sent to their assigned area.
- Should you have any questions or need additional information, please contact:
Cecily Nago, PCNC at 974-4855 ext 301 or 896-1561 or
email: cecily_nago/DESILVA/HIDOE@notes.k12.hi.us

FALL 2016 EdVenture CLASS DESCRIPTIONS

A Whale of a Time! (Grades 1 - 2)

A class specifically designed to introduce ceramics to first and second grade students. Students will learn to make simple pinch pots and coil pots, work with texturing using bright, cheerful glazes and choosing animals to sculpt from clay. Instructor and local artist Fair Jenkins owns her own studio, and has extensive experience working with different media and teaching children of various ages.

BBoyz and Girlz Hip Hop (Grades 3 - 6)

Participants will learn how to use their bodies in one of the most full body athletic dance forms, including basic hip-hop, break dance steps and basic freezes (poses). Participants will also work on free-styling (solos). The instructor will lead participants in proper warm ups and will announce recommended safety gear to bring in order to keep this an injury free class. The instructor for this class will be Norman Hakkei, Jr., aka "Junior," a break dancer with over 8 years and a dance instructor at Center Stage Dance Studio Hilo several years. Jr. also has experience working with other dance studios and local area schools. "Junior" has won several break dance competitions throughout Hawai'i.

Cards & Crafts (Grades 3 - 6)

Students will be creating cards and crafts for different occasions and special events, incorporating a variety of medium including stamping into their creations. Crafts will be based on skill level and be age appropriate. Instructor and long-time crafter Sandi Ozeki will be returning to share her love of crafting and working with students.

Chess Champs (Grades 4 - 6)

Chess is a wonderful game for developing logic, strategy and memory skills. It is a game of maneuvers, creative thinking and how to best overcome obstacles. It enhances the creative process of our minds and builds excitement in engagement. Loving the game is more important than winning; however winning allows you to progress in skill but not at the expense of another. This class will be taught by Jon Neet, a chess tournament player, former Elementary school chess club coach and member of the US Chess Federation.

Clay Creations and Explorations (Grades 3 - 6)

This class will be for both beginners and advanced ceramic students. Techniques and projects that capture the interest of the older students will be featured in this class. Students will also be creating tiles to be used in an on-going legacy project that will feature students' works of art around the campus. Local artist and art instructor Fair Jenkins will be sharing her talents with students in this class.

Hip Hop Jazz! (Grades 1-3)

Learn Jazz and Hip Hop Basics in this fun and upbeat class! Instructor Malia Okimura has been practicing different forms of dance since the age of 3, and is excited to share her talent and passion for dance with her students. She has taught classes at Center Stage and Big Island Dance Academy as well as assisted various other dance instructors. Students are asked to wear shoes and shorts to class sessions.

Hooked on Crochet (Grades 4-6)

Students will learn crochet basics to create different projects: hacky sacks, beanies, drink bottle covers and more! Class is taught by Bernalyn Young, a PPT in Mrs. Yamashita's 4th grade class.

Junior Iron Chef (Grades 4-6)

Become the "Iron Chef" of your family and learn how to make easy, delicious and nutritious meals for you and your ohana. Participants will also learn table manners, importance of eating together as a family, and why eating healthy and balanced meals including vegetables and fruits is important. Class will be taught by Audrey Wilson, who has a degree in Home Economics from UH-Manoa and writes a weekly food column for the Hawaii Tribune-Herald. Ms. Wilson has written numerous cookbooks and loves to travel abroad whenever she can.

Kinder Arts with Mrs. Halpern (Kindergarten)

Craft fun in the afternoon will have the kindergarteners creating seasonal themed projects to share and display. Projects chosen will be age and skill appropriate. Students will be working on projects using different types of craft mediums, such as paints, glue, & markers as well as incorporating seasonal themed projects. Instructor Myra Halpern is looking forward to working with the Kindergarteners in this class.

Kinder Arts with Ms. Shaina (Kindergarten)

Craft fun in the afternoon will have the kindergarteners creating seasonal themed projects to share and display. Projects chosen will be age and skill appropriate. Students will be working on projects using different types of craft mediums, such as paints, glue, & markers as well as incorporating seasonal themed projects. Instructor Shaina Mizusawa is a PTT in Mrs. Doolittle's third grade class, and enjoys working with the students.

Krafty Kidz (Grades 1-2)

Students will learn to make different craft items from clean, recycled materials they can find around the house. A fun, whimsical class that will keep the students engaged while learning the importance of being kind to our planet. There will be multiple seasonal craft items that the students will learn to make and display at home! Krafty Kidz instructor Jennifer Henricks, has volunteered with the JA program and has 2 Super Bee students who attend E.B.

My BEST Moves (Grades K-2)

Students will learn the fundamentals of dance through B.E.S.T. (Body, Energy, Space, Time) while developing individual creativity. Using props, this class focuses on balance, coordination, rhythm, group work, and confidence. This class will be taught by Vicky Robbins, a Teaching Artist with The State Foundation on Culture and the Arts and Hawaii Arts Alliance, and has been an EdVenture instructor for a number of years.

POP What Ya Got! (Gr. 3-6)

Break down some moves with Instructor Jr Hakkei as he steps into POPPING routines with leg pops, arm pops, and much more! Young dancers will learn basic walking and stepping, dime stopping and other creative dance variations. Students will also learn free-styling skills & correct warm-up techniques.

Sew Cool (Grades 5-6)

Introducing sewing basics for students using sewing machines. Students will be sewing carefully selected projects that match student growth and skills, starting with a reversible tote. They will also learn to take body measurements as well as follow a pattern. Class will culminate with an end of the year fashion show. Sewing machines will be provided. Class will be limited to 6 students.

Sketch It! (Grades 1-3)

Beginning sketch classes will focus on basic sketch techniques, shading, coloring and include introduction to simple painting. Taught by Kellie Miyazu, who has experience in graphics arts production, freelance artwork, and teaching. Ms. Miyazu is the recipient of the 2012 UH Hilo College of Arts and Sciences "Dean's Exhibit Award", and enjoys teaching art classes and sharing her talents.

Sketch It TOO! (Grades 3-5)

Advanced class for students who have already taken Sketch It, or other drawing/art class. Mixed media elements will be introduced to build on top of beginning drawing skills students already have. Focus will be on developing collage and painting skills along with drawing will allow the students to create more developed works of art.

Super Bees Play with Clay (Grades 4-6)

Students learn to explore art through creating ceramics pieces learning different techniques and tricks as well as adding texture and dimension in creating their works of art. Taught by Paula Hatanaka, long-time Hilo resident and ceramicist. Paula has extensive background teaching ceramics classes and is an independent business owner. Her pieces are well recognized in the community.

Super Bee Yogies (Grades K-6)

Introducing children to hatha yoga, encouraging a joyous and playful curiosity towards healthy exercise and respectful relations with oneself and others through the use of asana (physical postures), yamas and niyamas (social and personal guidelines). This class will be taught by Yoga Instructor Catherine "Cat" Southern, who has been with the EdVenture Program for a number of years.

Tutus and Toes (K-2)

Learn basic ballet steps from Instructor Malia Okimura, who has been dancing since the age of 3. She has taught classes at Center Stage and Big Island Dance Academy as well as assisted various other dance instructors. Students are asked to wear shoes and shorts and to bring water to class sessions.

Ukulele Jam (Grades 3-6)

An introduction into the basics of playing the ukulele. Students will learn strumming, chords and at least 2 complete songs in the class. Ukuleles are provided by the school, and students will have the opportunity to take home an ukulele so they can practice in between classes (a completed parent agreement is required to take home an instrument). Instructor Isaiah Young is an accomplished musician, and is an aide in the EB deSilva Afterschool Program.

UPcycled Wearable Art (Gr. 4-6)

Students will learn to repurpose t-shirts and other recyclable items into fun fashion and jewelry items. Don't throw it away! Make it new again with multi-talented art instructor Fair Jenkins, who specializes in glass blowing and working with ceramics.

Volleyball Bees (Grades 3-6)

Introducing children to the game of volleyball, students will benefit from group and individualized interactions. Each child will learn the basic skills and general techniques of passing, setting, hitting, blocking and serving the volleyball. Having fun while learning the game of volleyball is the main focus of these sessions. Classes will be taught by Jasen Suwa, who is one of our A+ Afterschool program aides and an active volleyball coach and player. Jasen brings an extensive background including: 17 year participant in the Haili Volleyball Tournament, past coach at Waiakea High School (boys and girls), and was a member of the All Tournament Team for USA Jr Nationals in Atlanta, Georgia.
