

THINK Day of Discovery

An Exploration of Careers in STEM

Presented by Waiaka Intermediate School

In partnership with The Hawaii Community Foundation

Save the Date! Saturday, April 8th, 2017!

Waiaka Intermediate School presents a THINK Day of Discovery for elementary and middle school students (grades 3-8)! Participate in a choice of two hands-on workshops that inspire students to explore a potential career in STEM (Science, Technology, Engineering, and Math). Workshops include 3-2-1 Rocket Launch, Eco-Warrior (Compositing), Roller Coaster Engineering, Robot Soccer & More.

Family science programs:

- ❖ Help parents to be actively involved in the science learning of their child
- ❖ Encourage children and parents to work together
- ❖ Foster home/school partnerships
- ❖ Engage parents and students in thinking and working scientifically
- ❖ Assist parents to encourage an interest in science in their child in the home
- ❖ Help students to learn through active engagement in learning experiences

Cost: \$20.00

Includes:

- Two (2) Hands-on Workshops & Supplies
 - Workshops will allow students to take home completed projects.
- Two (2) Bento lunch & Water

Schedule:

Saturday, April 8th, 2017

- 7:45 - 8:15 Sign-in at Waiaka Intermediate School Cafeteria
